Dear Mr. Scripnick:

Thank you for your further letter and the enclosed position paper regarding emergency medical service in Northern Ontario. I value the views and concerns of the NOSDA, and am grateful to you for taking the time to share them.

I appreciate the issues you raised. As they would best be addressed by my colleague the Honourable Deb Matthews, Minister of Health and Long-Term Care, I have asked that she or a member of her staff respond to you directly.

Thank you again for writing. My colleagues and I will keep taking your views into consideration as we continue our work to achieve further results and keep Ontario moving forward. Please accept my best wishes.

Yours truly,
